## EXPERIENCE

### **HCB, Remote / Burlington, VT — Operations and Onboarding Associate & Intern**

AUGUST 2022 - PRESENT

Providing support to fiscal sponsorship users, processing perks and money movement through the financial backend and admin dashboard, onboarding new organizations, and conducted accessibility review of our platform.

### **Mindfully (Resolv/Moxie Girl), Remote / Cincinnati, OH — Intern & Lead Ambassador**

JUNE 2020 - JAN 2023

Early-stage mobile application startup connecting young adults across the nation for better mental health - designed wireframes and user journeys, approved new features for production, performed bug testing across applications, designed user profiles, and started and led ambassador program.

### **Kode with Klossy, Remote — Instructor Assistant (IA) & Scholar**

JULY 2020, JUNE 2021, JUNE 2022, JUNE/JULY 2023

Selected as a scholar for 2-week all-female coding boot camp in application development (2020), web development (2021), and data science (2023). Hired as an IA (2023) to teach Virtual Community Camps in data science & taught Python to 100+ American and international scholars.

### **Coding Summer Camp, Louisville, KY — Camp Lead & Workshop Creator/Instructor**

2021, 2022

Partnered with the Kentuckiana Chinese School & Sacred Heart Academy, I spent over 9 hours guiding elementary and middle schoolers to learn web development, design, and creative problem-solving skills - wrote curriculum, led workshops, and organized activities.

### **liveFire Solutions, Remote / Louisville, KY — Intern**

OCT 2020 - MAY 2021

Marketing and creative services firm - contributed to pitch deck development, managed Amplify Louisville weekly newsletter, and supported marketing campaign for Olmsted Parks.

## EDUCATION
